Dedication

The dedication of our annual is only a small token of our appreciation and respect for you, Mrs. Wildenthal. Your lasting tribute is the minds of those who have had the privilege of studying under you. As a teacher and as a counselor you are unsurpassed and for this we gratefully dedicate the 1956 ROUND-UP.

Foreword

We, the Senior Class of '56, are proud to present to you our annual, THE ROUND-UP. We have earnestly tried to give an entire pictorial history of highlights of the year's activities on these pages.

Our years in C.H.S. have been full years of activities; joy and disappointments, excitement and discouragements; but through all has run a surge of happiness that will never be forgotten.

In years to come may you turn through these pages and recall, too, these happy days at old Cotulla High School.

Happy Days

The first of school found everyone
greeting old friends and teachers
again. Books got lost, kids got in the
wrong classes, and the lockers sagged
under their new loads while teachers
were sharpening their little red pencils.

The football team started working
out after school and the boys were won-
dering when the traditional "football
weather" was going to set in. Mean-
while, the band drilled faithfully plan-
ning halftime shows.

game of the season

they went to Laredo

proud of the fact that in the first three weeks, they sold more than all last year.

September 2, the classes elected officers and the presidents turned out to be Pat Snowden, Sarah Lee Storey, Marilyn Taylor and John Gaddis.

All of a sudden there was a mad search for old dresses, beat-up hats, worn-out brooms, and baby pacifiers. Initiation time was at hand. The Fish wore necklaces made of old pop bottle tops and in the CHS manner, were herded down town to mop off the sidewalks. The revelry was punctuated with shouts of

Mr. Cotulla suggested that CHS form a Student Advisory Council. October 17, all the presidents of the various organizations and the elected representatives met to elect officers. Mary Sue Myers became the president; Joan Hill, vice president; and Sarah Lee Storey, secretary. The council proceeded to do a very good job. They helped work out problems, took care of opening assemblies, and made suggestions for improvements around the school.

Finally it was carnival time and the street between the schools was filled with FUN.

you could find them hard at work in the gym. They won quite a reputation around the district by winning all of their first practice games.

November was a busy month for CHS. All the organizations were out to get money and the FHA started it off with a cake sale November 5. The annual staff sponsored the Curtis magazine sales again this year and kids in junior high and high school sold \$662 worth of subscriptions.

The girls got a new basketball coach this year. Mrs. Jones had them out working by the first of November. They were really a sharp team and every one of them tried as hard as they could. In the afternoons after school

Just before game time...

December 2 marked the actual beginning of basketball season for CHS. Both boys and girls played Lytle, there, in the first game of the season. The Cowgirls had already knocked over Asherton but it had been an afternoon game.

Charlotte, a return game with Lytle, Freer (boys only), Dilley, a return game with Charlotte, and a return game

with Freer made up our schedule for December. The Cowboys went to the George West Tournament and the Cowgirls went to the Dilley Tournament December 15, 16, and 17. The girls came home with the Consolation Trophy.

The Spanish Department gave an assembly program December 9. A style show, dances, and songs were the order of the hour. Everyone will remember the "Santa Claus" pinata.

Let's go!

The football boys were honored with banquets given by parents.

Around Christmas time the EL VAQUERO sponsored a toy drive. The students responded favorably and made it a big success, the toys going to Co-tulla's needy children.

In the Christmas issue of EL VAQUERO, the staff published letters to Santa Claus. Everything from Buicks and solutions to algebra problems to mink stoles and clean knee guards were asked for.

At last it was time for the Christmas holidays and CHS was deserted for a time.

Tuesday, January 3, found CHS back in the groove and rested up after the Christmas holidays. That is, all except the EL VAQUERO staff who took an extended vacation and skipped publication the second Friday in January.

We were hosts to Dilley, January 3, and the Cowboys met defeat again but the Cowgirls eased ahead in a thriller. The following week-end our boys went to the Dilley tournament, worked their way to the finals by beating tough Freer in a close one, and lost only to Dilley again. We placed Cox and Mills on the all-tournament team.

That's two!

We know that mouth is there.

January 13 started district play with the Cowboys running over San Felipe. Then followed Pearsall, Carrizo, Crystal, and Hondo in rapid succession. The boys beat Pearsall and Carrizo by two points each, Crystal beat us by one, and both girls and boys handed Hondo defeat. After whipping Pearsall, the Cowgirls were stomped by Carrizo Springs and Crystal City.

January 31 the Cowboys met San Felipe again in the first game of the second round and again came out on top. The game was played in an ice-cold gym in Del Rio, but as usual for the Cowboys turned out to be another scorcher.

The Cowboy Band gave a concert for the school January 27. This was their first perform-

Again it was March of Dimes time and CHS participated wholeheartedly as usual.

in the last round after bowing to Crystal and

finished the season off by crushing Hondo. With
the boys it was a different story for they sneaked

Stock Show -- 1956

February 7 was the date of the La Salle County Sixth Annual Livestock Show. Since practically all the stock is shown by school kids, school was dismissed.

The following Friday twenty-five FFA boys went to San Antonio to see how the city puts on a stock show. They

spot on the second team.

The week before Easter holidays EL VAQUERO Staff stunned the student body with certain news stories stating that "CHS Gets New Gym," "CHS Quits Football," and "Jr. Hi. Coach Goes Berserk." It was their idea of an April Fool joke and everybody got a good laugh out of it.

District tennis meets were held in Pearsall, April 10, and Cotulla won more than our share of first and second places. Charles Darnell brought back the Pearsall Relays Tennis Singles trophy.

After about a month of fidgeting by the girls, their jackets finally came in. They were maroon with gold letters.

April 6 was the date the Seniors attended the Baptist Banquet. It was a real banquet complete with food, speeches, and entertainment. Everyone said that they had

confusion!! Seniors hurrying hither and yon and
really not too sure of what was happening. They
were occupied with everything! Exams, parties (al-

commencement. The end was almost in sight.

It seems that the band party was a real affair from the
looks of these band members and dates.

You can see that this Senior

Superintendent's Message

To the Annual Staff and Seniors:

I wish to congratulate you, the members of the annual staff and senior class, for your accomplishments in assembling and publishing the 1956 ROUND-UP.

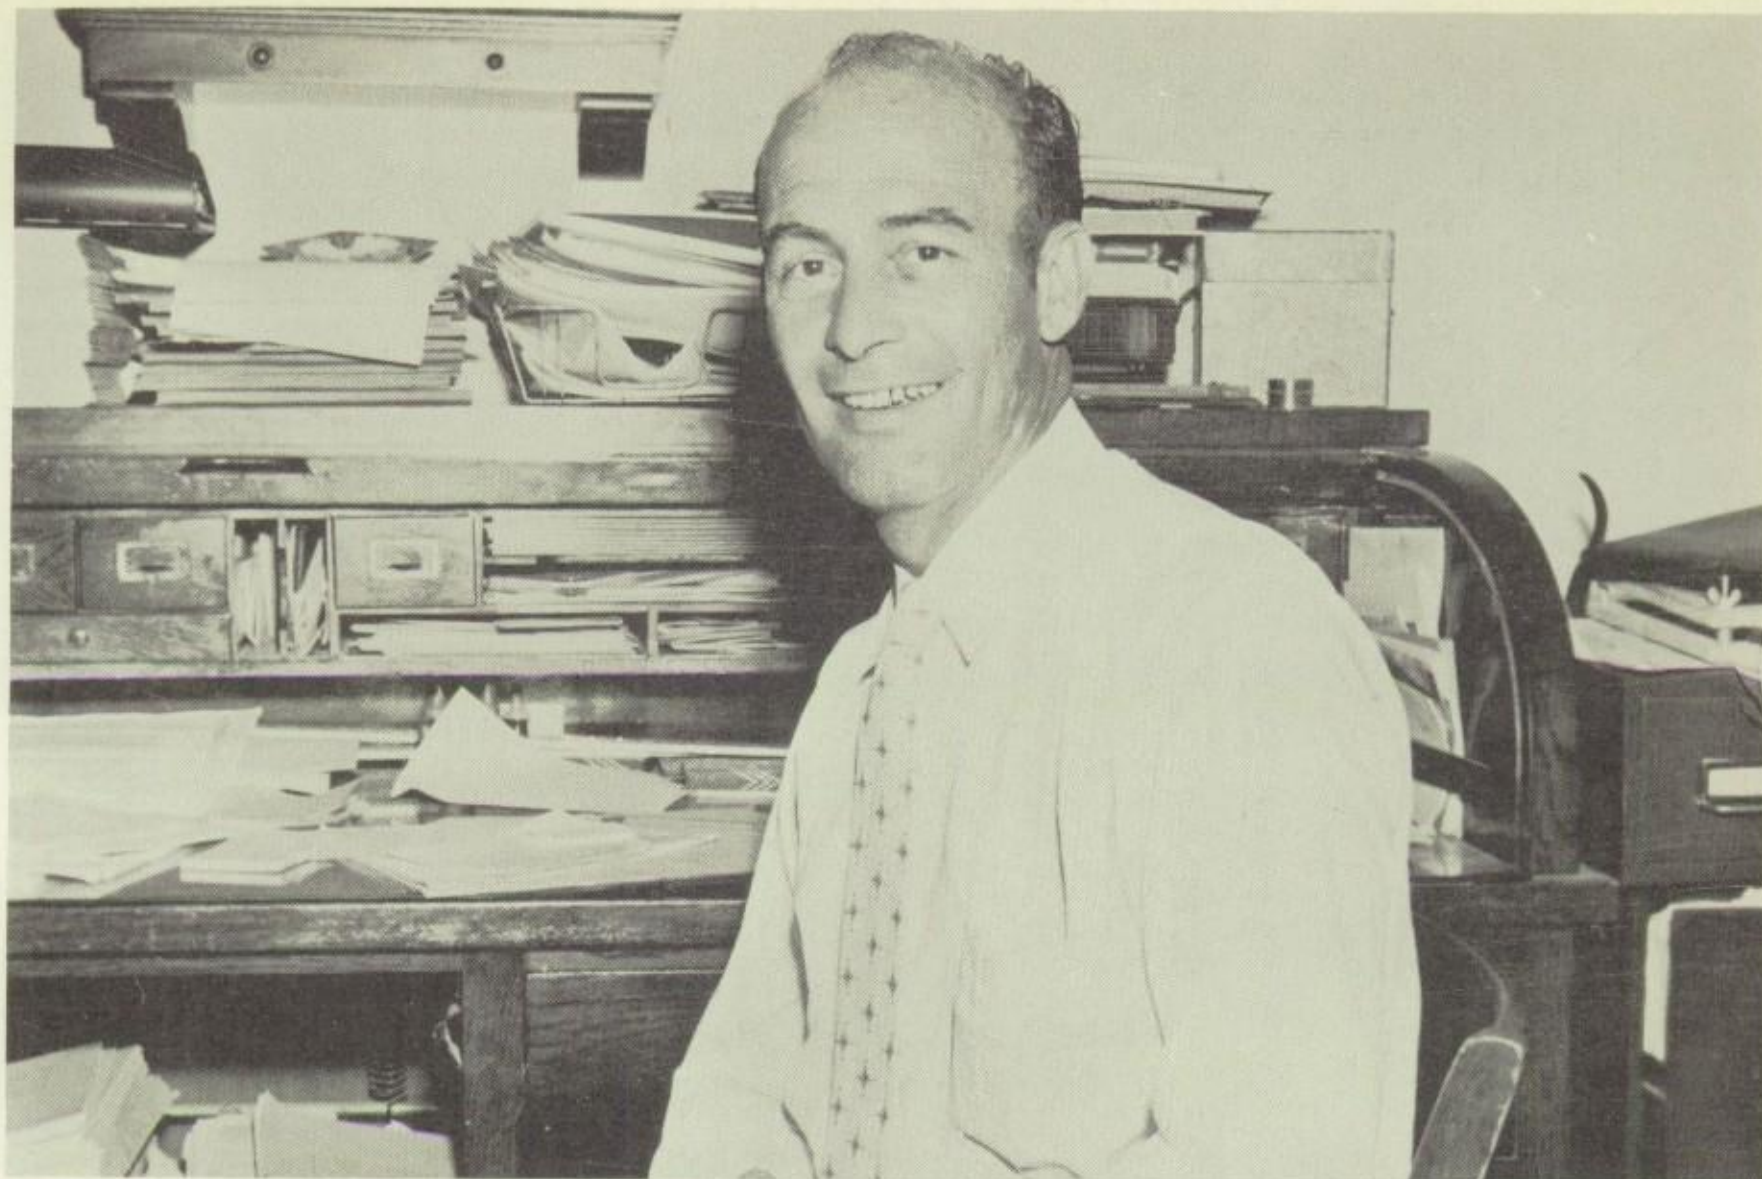

With the approach of graduation time, you should take time for a few moments of thoughtful meditation on the struggle, toil and sacrifices your parents have endured in order that you might one day reach this milestone in your march upward to a more fruitful and happy life.

As you turn the pages of this book in future years, pause and reflect on the past years and anticipate the future to see if these sacrifices were made in vain.

I wish for each of you a most productive and happy future.

Sincerely,

C. A. Landrum

FRESHMAN INITIATION

The Juniors slaving to prepare gym for Junior-Senior Banquet!

The "wife" at Dante's Inferno. Could this be a "she devil"?

It wouldn't be a carnival without the country store.

Who said that?

Yes, suh!

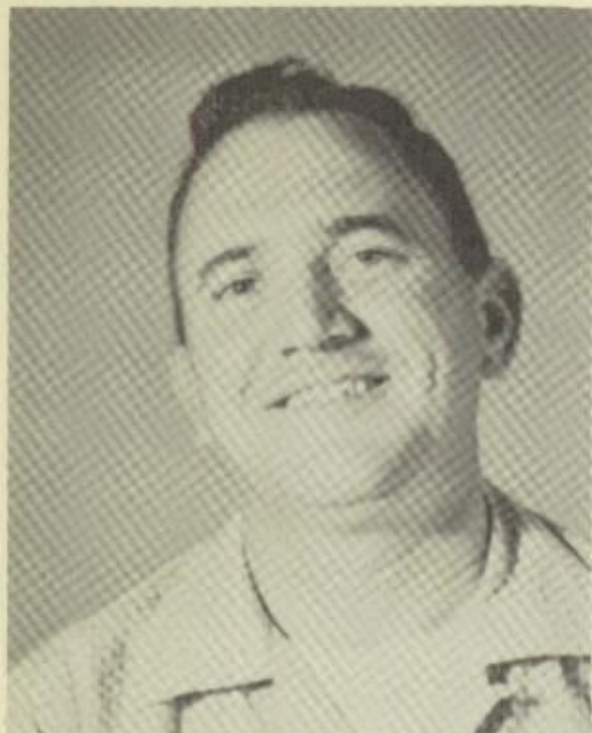

Who does he think he is!

It seems everyone ate so much barbecue that a siesta was needed before the hay-ride.

The movie camera is making the rounds
at the Junior-Senior Banquet.
Hollywood may give a call.

It seems that the Ag boys do have fun on
their San Antonio trips.

Could it be that it is coffee
time?

Lookit those lazy majorettes and
cheerleaders!

Once upon a time..

It could be that
Twerp Week has
gone to her head.

Don't be afraid...the
camera won't bite you.
Maybe she's just shy.

Wish some work would come in!

Nice scenery on Front Street.

Don't let him get away! May not find another like Juan M.

These two are always eating.

You just haven't seen anybody prance yet, darling!

Don't be camera-shy, Ann--

What do we have here?

"Well"....

Recognize this? (Where Chubby's used to be.)

Carnival time 1955

Wal, suh, it was like this....

Seniors united!!

Larry, do you have to disturb the poor boy?

All enjoyed the hayride at the Hill hacienda.

Junior mothers selling like mad and Mrs. Nutt continues to eat.

...and everyone came back for refreshments at the Prom.

The Sponsor who saw that Dante's Inferno was a success.

Sorta hot, you know it?

Ahh!! Drop dead.

What happened to Ned?

Patsy and Joe take a bow.

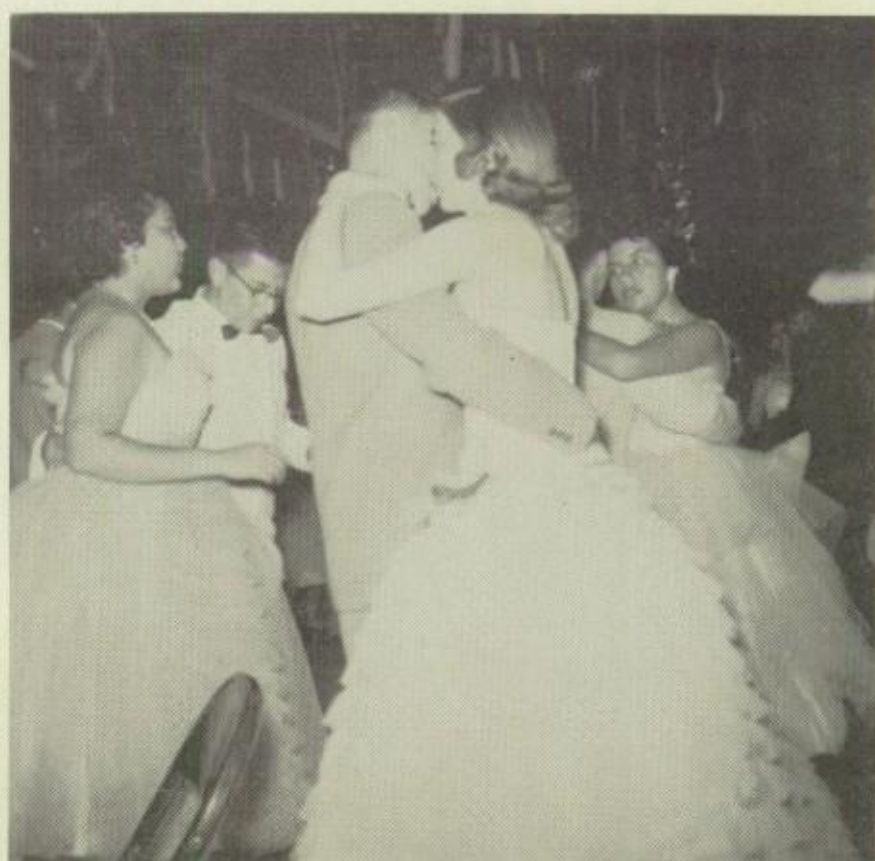

The whip.

These girls have a job ahead of them. Clean the courts!

How would I look with a beard?

Do you suppose those boys would try to get away?

The Seniors out yell everybody.

So! this is the reason John could be first in line at the lunchroom.

Hip, Hip, Hooray!

Cool, cool, teacher!!

...Cuddle up a little closer,
Lovey Mine...

Cowboy Stadium on
Friday night.

There will
be action!

Get your man and get him hard!
Yea Maroon! Yea Gold!
Fight! Fight! Fight!

The party given by the
Mexican mothers.

Here we stand like birds in
the wilderness.

...and Storey
passes!

C'mon, Cowboys,
let's go!

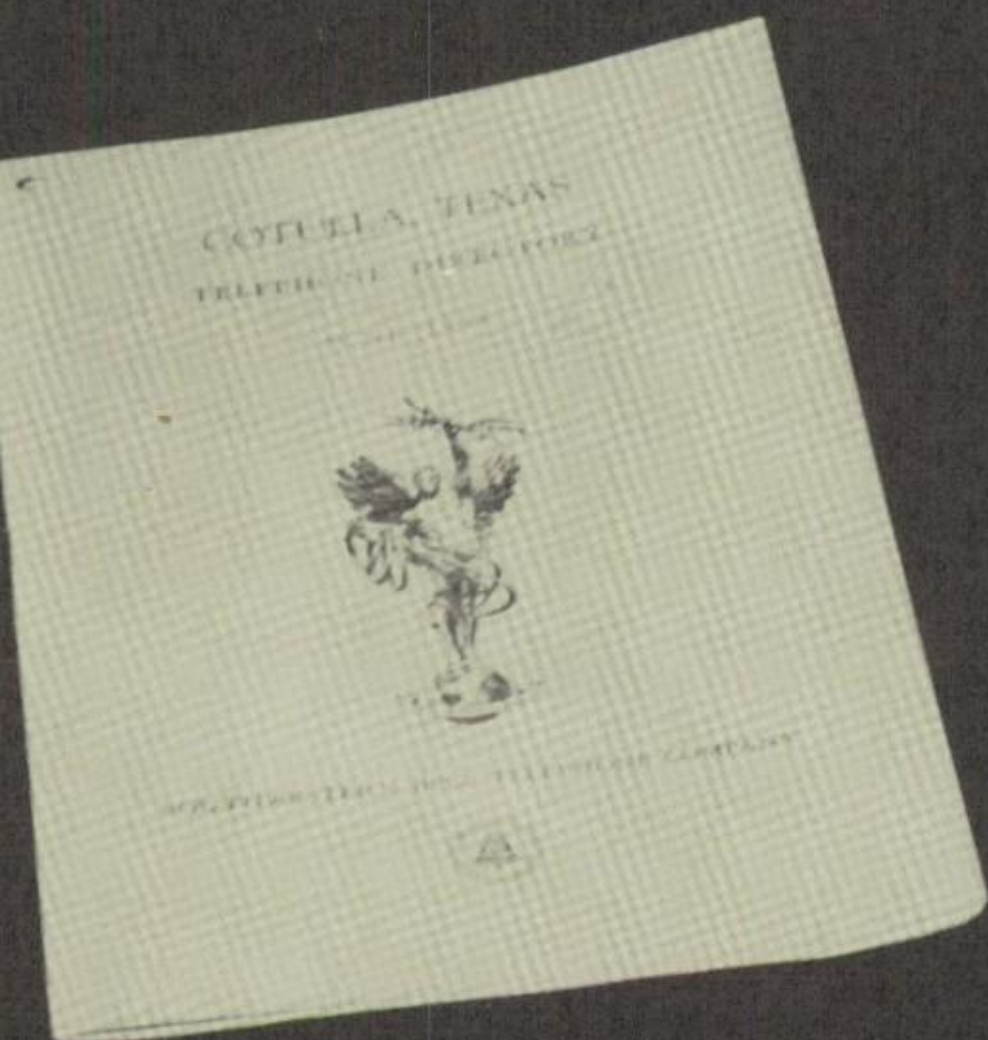

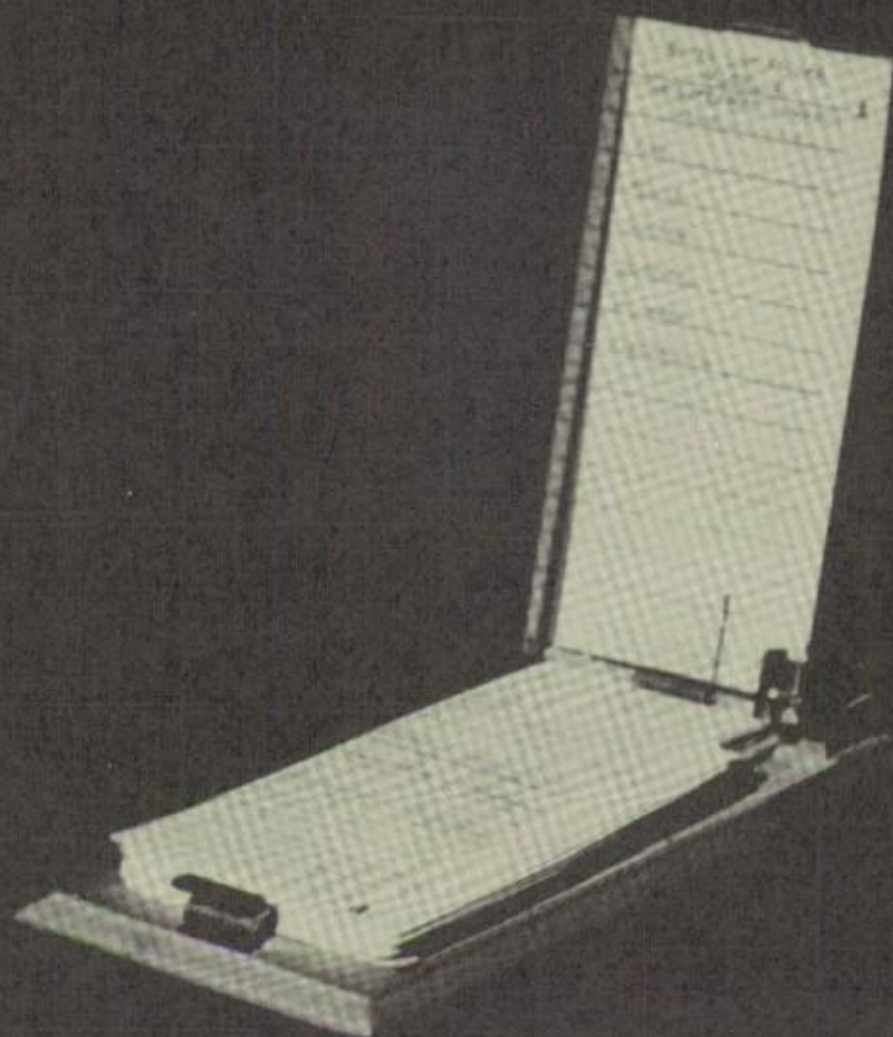

What's cookin'?
Must be something
very special as
the band director
hit the dirt.

Here we have the stag line
at the supper in Plaza Hall.

From Freshmen to Seniors...
what a mixture.
